Group learning activities held in Canada but developed by Accreditation Council for Continuing Medical Education (ACCME)-accredited physician organizations can be recorded as accredited activities under Section 1 of the MOC Program. CME credit for APA members completing the evaluation will be recorded at [www.apaeducation.org](http://www.apaeducation.org) and transferred to the ABPN Physician Folio in August. The American Psychiatric Association (APA) is accredited by the ACCME to provide continuing medical education for physicians. APA
designates this live activity for a maximum of 50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
