

WE ARE HIRING

JOIN OUR TEAM

CLINICAL DIRECTOR (PSYCHIATRIST)

Enjoy leading a state-of-the-art, inpatient psychiatric treatment facility in beautiful **Baxter, Minnesota!** In this rural healthcare setting, you will work alongside highly professional and dynamic staff to provide treatment to Minnesotans with an array of behavioral health needs. This is a small hospital that prides itself on being community-based and providing treatment and programming within a person-centered framework.

As the Clinical Director (Psychiatrist), you will have the opportunity to treat patients directly and also coordinate with the various disciplines to formulate treatment interventions that are tailored to your patients' specific needs.

Are you interested in a rewarding career?
