Hosted by Linda Vukelich and Dr. Sheila Specker
2738 Evergreen Circle
White Bear Township, MN 55110

Join us! Your viewpoint as a psychiatrist is valuable!

Join us in conversation with
Senator Heather Gustafson & Representative Elliot Engen

You’re invited to a gathering! This fall, we’re hosting house parties to support mental health awareness in the Minnesota State Capitol, and we want you to join us.

We’re working hard to prepare for the next Legislative session. Many issues you care about are at stake. Building trusting relationships with our legislators is a huge part of this important work.

We need your help. When mental health comes up this session, legislators are much more likely to pay attention if they’ve personally met you, a constituent who actively cares about local government supporting mental health. Attend this fun and informal event for and engage in meaningful conversations about how mental health impacts your life and community.

RSVP to:

MPS Executive Director Linda Vukelich (651-278-4241)
MPS Past President Sheila Specker, MD, DFAPA (612-201-9484)
Lobbyist Bill Amberg (612-260-9973)
