

Medical Director - Adult Inpatient Psychiatry

Job Opportunity

Medical Director - Adult Inpatient Psychiatry (Assistant or Associate Professor - Academic Track)

University of Minnesota Physicians (M Physicians) is a non-profit organization seeking driven individuals in both clinical and non-clinical areas to help transform health and medicine. Headquartered in Minneapolis, our organization employs more than 1,200 physicians, 300 advanced practice providers and 2,200 health professionals and staff throughout Minnesota and beyond.

Join us on a mission to advance medicine.

The University of Minnesota's Department of Psychiatry & Behavioral Sciences is seeking a Board Certified / Board Eligible Adult Psychiatrist to fill an Academic Track faculty position at the Assistant, Associate or Full Professor level as the Adult Inpatient Psychiatry - Faculty Medical Director.

Practice Details:

- Full-Time appointment at the [University of Minnesota Medical Center - West Bank](#) in Minneapolis, MN leading a team of 45 providers and a team of provider leads that cover 120 adult inpatient beds, with approx 8 consult psychiatry providers.
- The candidate should be an established leader or 'rising star' with strong administrative leadership skills as well as a passion for academic medicine and patient care
- Responsibilities will include:
 - Medical Director leadership (0.5 FTE)
 - Clinical responsibilities on an inpatient unit (0.3 cFTE)
 - Departmental Education activities in residency and/or medical student education (0.2 aFTE)
- Perform administrative duties, including participating in faculty meetings, serving on committees, participating in accreditation and other reviews, and representing the program at professional organization meetings as appropriate.

- This position includes exercising creativity in clinical care, clinical programming, and educational opportunities. The successful applicant will join an active and growing department of 72 highly collaborative and engaged faculty members.
- The University recognizes and values the importance of diversity and inclusive excellence in enriching the employment experience of its employees and in supporting the academic mission, and is committed to attracting and retaining employees with varying identities and backgrounds.

About the Department:

- [The Department of Psychiatry and Behavioral Sciences](#) consists of an outstanding team of researchers, clinicians, and educators who provide world-class expertise in psychiatric illness, treatment, scholarship, and scientific discovery
- Clinically, the department has expanded its inpatient, outpatient, and telehealth psychiatric services to accommodate the high demand for mental health services in the Twin Cities region, resulting in an upward trajectory of growth
- The department consists of 372 inpatient beds, several dedicated psychiatric outpatient facilities, and 8 Twin City area Collaborative Care Clinics integrating behavioral health services with primary care

Qualifications:

- Seeking at least 3 years of experience in a leadership role.
- Graduate of an accredited ACGME Psychiatry residency and/or fellowship training program.
- Board eligible/certified
- Licensed or ability to obtain Minnesota Board of Medical Practice Licensure.
- Ability to obtain/maintain DEA certification in the State of Minnesota and meet threshold criteria/qualifications for Credentialing and Privileges

This role is dually employed by the University of Minnesota and University of Minnesota Physicians. Applicants should also complete an application for this position with the University of Minnesota. The corresponding job opening can be found here:
