Exciting Child and Adolescent Psychiatrist Opportunity!
Willmar, MN

Applicants are eligible for a hiring bonus \$\$\$, plus an additional \$50,000 in student loan reimbursement!

About the Organization:

Child and Adolescent Behavioral Health Services (CABHS) provides person centered mental health services to children and adolescents between the ages of 6 and 18 who have a serious emotional disturbance and whose needs may exceed the resource capacities of their families and local communities. Children and adolescents from throughout the state are referred by county social services, corrections, private hospitals, parents, treatment facilities, schools, and third party payers. Willmar is prepared to treat young people with highly complex diagnostic and treatment needs. The average length of stay is in the range of 25 to 45 days at the 16 bed facility. We have excellent support staff and a collegial working environment.

About the Opportunity:

We have a great opportunity for a highly motivated and talented Psychiatrist to lead a group of dedicated staff committed to delivering exceptional mental health care to a complex pediatric population. Our multidisciplinary employees bring a wealth of education and experience to the task of mental health service; their efforts are invaluable to the ongoing mission of the organization. Be part of a team that works continually to improve and excel in the mental health care field!

Location:

Willmar is surrounded by a multitude of recreational lakes, recreational trails and provides a growing housing and job market. Willmar has been dubbed the 19th most livable metropolitan city in the Nation of Life in America's Small - Cities category and made Demographics "dream town" list. It offers the metropolitan conveniences while maintaining a small – town feel. The Willmar Lakes Area is located 90 miles west of the Twin Cities on Highway 12.

Benefits:

The State of Minnesota offers excellent employee benefits, such as a hiring incentives, student loan reimbursement program and relocation reimbursement. We believe and practice work- life balance! Other benefits would include:

- Health and dental insurance
- Life insurance
- 11 paid holidays per year
- Health care saving plan
- Affordable dependent care
- Pension and retirement saving plan
- Tuition reimbursement
- Disability insurance
