

Physician - Child & Adolescent Psychiatry (Adolescent IOP)

Practice Description

Fairview Health Services is seeking a board certified/board eligible Child/Adolescent Psychiatrist with experience and strong interest in providing outpatient psychiatry care to adolescent patients at the Fairview Dual Diagnosis Adolescent Day Treatment Programs in Elk River, MN.

In this collaborative and interdisciplinary practice model, the psychiatrist will be working with a team of program staff, teaching staff, chemical dependency counselors, psychotherapists, and Psychiatric Mental Health Nurse Practitioners. The Psychiatrist will be actively involved in all patient care including intakes, follow-ups, medication management, and conducting family conferences.

This program is affiliated with the University of Minnesota Masonic Children's Hospital, home to one of the largest inpatient mental-health and substance abuse programs for children and teens in the nation. Our wide range of services includes: inpatient, behavioral emergency center, partial hospitalization, outpatient clinics, counseling centers, adolescent chemical dependency program, and adolescent dual diagnosis day programs.

Practice Details:

- Practice located at the Fairview Dual Diagnosis Day Treatment Programs in Elk River, MN with occasional coverage to other program locations in Maplewood and Crystal, MN.
- Join a team of 12+ Child and Adolescent Psychiatrists and Nurse Practitioners with regular faculty meetings and case conferences.
- Fully integrated Electronic Medical Record (EPIC).
- Call Coverage: No weekend or evening coverage.
- Openings: 1.0 FTE, This is a full-time position, working 5 days/week.
- J1/H1B VISA Accepted: Yes

Income Details:

- Market competitive compensation
- Sign-On Bonus
- Comprehensive benefits package: generous time off, annual CME allowance, malpractice insurance with tail coverage, retirement contributions, relocation & more.

Qualifications

- Graduate of an accredited ACGME/AOA Psychiatry residency and Child & Adolescent Psychiatry fellowship training program.
- BC/BE with the ABMS
- Licensed or ability to obtain Minnesota Board of Medical Practice Licensure
- Ability to obtain and /or maintain DEA certification for the State of Minnesota.
- Meet threshold criteria/qualifications for Credentialing and Privileges.

Community Information

Adolescent Dual Diagnosis Outpatient Program

The Fairview & HealthEast system is one of the largest providers of behavioral health services in the Upper Midwest. We offer a wide range of adult and child/adolescent services that includes: inpatient, behavioral emergency center, partial hospitalization, outpatient clinics, counseling centers, chemical dependency programs, and day treatment programs. In addition, our psychiatrists have access to consultation, collaborative management or referral with University of Minnesota Department of Psychiatry, University of Minnesota Physicians and Behavioral Healthcare Providers.

University of Minnesota Medical Center is the flagship location for University of Minnesota Health, and is comprised of two hospitals and dozens of adult specialty clinics on both the East and West banks of the University of Minnesota campus in Minneapolis.

This location offers the widest range of hospital and clinical services provided through University of Minnesota Health. Complete services range from primary care, emergency care and the delivery of thousands of babies each year, to care of patients with the most complex conditions. Areas of specialization include solid organ and blood and marrow transplantation, heart disease and cancer. Discover more of what is offered at [University of Minnesota Medical Center - East Bank](#) and [University of Minnesota Medical Center - West Bank](#).
