

Hennepin Healthcare

Physician - Inpatient Psychiatry (220582)

Hennepin Healthcare is an integrated system of care that includes HCMC, a nationally recognized Level I Adult and Pediatric Trauma Center and acute care hospital. The comprehensive healthcare system includes a 484 bed academic medical center, a large outpatient Clinic & Specialty Center, and a network of primary and specialty care clinics in Minneapolis and in suburban communities. Hennepin Healthcare has a large psychiatric program, home care and hospice, and operates a research institute, innovation center and philanthropic foundation.

SUMMARY

Hennepin Healthcare seeks a full-time Psychiatrist to join our Inpatient Psychiatry Unit. The duties of this role will include the following:

- To diagnose and treat patients with mental, emotional, and behavioral disorders.
- To determine the nature and extent of mental disorders and formulate treatment programs utilizing a variety of psychotherapeutic methods and medications.
- To provide direct patient care to individuals with mental health as their primary diagnosis, as well as individuals suffering from a secondary mental health disturbance or illness.
- To collaborate, educate, and instruct other doctors on the physical health that might impact mental health of their patients.

The position will be Monday - Friday days with call coverage six to eight 24-hour time periods per year.

QUALIFICATIONS

- MD or equivalent foreign degree
- Completion of medical residency program in Psychiatry
- Board certified in Psychiatry
- Current license to practice medicine in the State of Minnesota

Positions at Hennepin Healthcare are credentialed through the Office of the Medical Staff in accordance with its policies.

You've made the right choice in considering Hennepin Healthcare for your employment. We offer a wealth of opportunities for individuals who want to make an impact in our patients' lives. We are dedicated to providing Equal Employment Opportunities to both current and prospective employees. We are driven to connect talented individuals with life-changing career opportunities, enabling you to provide exceptional care without exception. Thank you for considering Hennepin Healthcare as a future employer.

Please Note: Offers of employment from Hennepin Healthcare are conditional and contingent upon successful clearance of all background checks and pre-employment requirements.
