

Adult Community Psychiatrist

Rochester, MN

What if your career could change your life?

You are invited to partner with the nation's best hospital (U.S. News & World Report 2018-2019), ranked #1 in more specialties than any other care provider. Practicing at Mayo Clinic provides a rewarding career that promotes excellence in patient-centered care. You can thrive in an environment that supports innovation and has a wealth of resources available to you – including an integrated EMR and collaboration with top specialists – to give your patients the quality of care you want to achieve.

Mayo Clinic's Department of Psychiatry and Psychology in collaboration with Olmsted County Social Services in Rochester, Minnesota, is seeking an outstanding psychiatrist to join our Adult Psychiatry outpatient practice team.

In this unique collaboration with Olmsted County Community Services, this clinical position involves the provision of psychiatric services for the Assertive Community Treatment Team and/or a proposed future Crisis Evaluation Service. This important liaison role allows a distinctive combination of direct community service to those in high need with full support from a world-class institution. This position includes a faculty appointment in the Mayo Clinic College of Medicine and Science with opportunities to supervise and mentor students and residents and to conduct and participate in research activities relevant to community psychiatry.

Qualified candidates must meet the following requirements:

- Eligible for licensure in the state of Minnesota.
- Board-certified/board-eligible through the American Board of Psychiatry and Neurology in Psychiatry.
- Experience in community psychiatry practice is welcomed but not required.
