

## Psychiatrist

North Memorial Health (Minneapolis, MN) is actively recruiting both full-time and casual part-time Psychiatrists to join our team.

North Memorial Health is a comprehensive health care system that serves the north, central, and west communities in the Twin Cities metro area (Minneapolis, MN). But our reach extends far beyond these neighborhoods. Through our two hospitals (North Memorial Health Hospital & Maple Grove Hospital) and a metro-wide network of primary, specialty and urgent care clinics; outpatient centers; medical transportation; and home and community outreach, we are a regional leader in advanced medical care.

**Compensation and Benefits** - We offer a comprehensive and competitive salary and full benefits package including:

- Health, Life, Disability, Dental, and Vision
- 401k Retirement Plan/ Pension Plan/457b
- Vacation/CME days
- Relocation Assistance
- CME and Paid Professional Fees (medical staff dues, DEA, license fees)

### Position Qualifications

- Graduation from Medical school
- Graduation from an ABMS psychiatry residency
- Board eligible or certified in psychiatry
- Valid License to practice medicine in MN
- Valid DEA Certification
- Experience with EPIC EMR is a plus

If you share our passion for practicing medicine, are a supportive team member, and are willing to push yourself and your colleagues to achieve great things, we would welcome you to join our team. Of course, *all inquiries are kept confidential.*
