PSLF Eligible | Brand-New 144-Bed Behavioral Health Hospital

Fairview is seeking a **Nurse Practitioner – Adult Psychiatry Inpatient** to join our growing inpatient team at the newly opened **Capitol Park Mental Health Hospital** in St. Paul, Minnesota.

This state-of-the-art, 144-bed behavioral health hospital was purpose-built to support patients with acute mental health needs in a safe, therapeutic, and recovery-focused environment. As our program continues to expand, advanced practice providers have the opportunity to help shape scheduling, workflow, and clinical program development in collaboration with engaged hospital leadership.

Compensation & Benefits

- Competitive Base salary
- Sign-on bonus
- Relocation assistance
- Annual CME allowance
- Comprehensive health, dental, retirement, and malpractice coverage
- **Public Service Loan Forgiveness (PSLF) eligible employer**

Practice Highlights

- Full-Time (1.0 FTE)

- Structured, team-based coverage model ensuring 24/7 continuity of care
- Shared call rotation supported by hospitalists and moonlighters
- Dedicated support to promote sustainable workloads
- Multidisciplinary treatment teams including nursing, therapy, and social work
- Participation in daily interdisciplinary rounds
- Opportunity to contribute to quality improvement initiatives and program growth
- Strong administrative and clinical leadership committed to provider well-being

Scheduling continues to evolve as the team grows, with a focus on flexibility and maintaining manageable inpatient volumes.

Qualifications:

- Graduate of a school of nursing and accredited Nurse Practitioner training program
- BC/BE through the AANP or ANCC
- Licensed or ability to obtain APRN license with the Minnesota Board of Nursing
- Ability to obtain and/or maintain DEA certification for the State of Minnesota
- Meet threshold criteria/qualifications for Credentialing and Privileges
- BLS certified
- Previous experience in acute care, adolescent care and/or geriatric care preferred
- **PMHNP certification REQUIRED**
- **Experience in an inpatient psychiatric setting is required**

About the Facility:

Capitol Park Hospital is purpose-built to support patients with acute mental health needs in a safe, calming, and therapeutic environment. The facility features modern units, ample natural light, and a care model designed to support patients through stabilization and recovery. The hospital leadership team is committed to creating a culture of collaboration, respect, and innovation.
