\$347,000 Base Salary | PSLF Eligible | Brand-New 144-Bed Behavioral Health Hospital

Fairview is seeking a Board-Certified/Board-Eligible Adult Psychiatrist to join our growing inpatient team at the newly opened Capitol Park Mental Health Hospital in St. Paul, Minnesota.

This state-of-the-art, 144-bed behavioral health hospital was purpose-built to support patients with acute mental health needs in a safe, therapeutic, and recovery-focused environment. As our program continues to expand, physicians have the opportunity to help shape scheduling, workflow, and clinical program development in collaboration with engaged hospital leadership.

Compensation & Benefits

- Base salary: \$347,000
- Sign-on bonus
- Relocation assistance
- \$5,000 annual CME allowance
- Comprehensive health, dental, retirement, and malpractice coverage
- Public Service Loan Forgiveness (PSLF) eligible employer

Practice Highlights

- Full-Time (1.0 FTE) Adult Inpatient Psychiatry
- Structured, team-based coverage model ensuring 24/7 continuity of care

- Shared call rotation supported by hospitalists and moonlighters
- Dedicated APP support to promote sustainable physician workloads
- Multidisciplinary treatment teams including nursing, therapy, and social work
- Participation in daily interdisciplinary rounds
- Opportunity to contribute to quality improvement initiatives and program growth
- Strong administrative and clinical leadership committed to physician well-being

Scheduling continues to evolve as the team grows, with a focus on flexibility and maintaining manageable inpatient volumes.

Qualifications

- MD or DO from an accredited medical school
- Board Certified or Board Eligible in Psychiatry
- Eligible for Minnesota medical licensure
- Experience in inpatient psychiatry preferred
- Fellowship training in Addiction Psychiatry, Geriatric Psychiatry, Pain Medicine, or Hospice & Palliative Medicine welcomed

About the Facility:

Capitol Park Hospital is purpose-built to support patients with acute mental health needs in a safe, calming, and therapeutic environment. The facility features modern units, ample natural light, and a care model designed to support patients through stabilization and recovery. The hospital leadership team is committed to creating a culture of collaboration, respect, and innovation.
