

Adult Psychiatrist Child & Adolescent Psychiatrist

Choices Psychotherapy is seeking a contract psychiatrist(s) for its Chanhassen location.

This is a great opportunity to join a growing practice of therapists and Psychiatrists serving clients age 5 through senior adults. This unique venture provides for a therapist to join a clinic that is realizing tremendous growth. Choices Psychotherapy expanded to Chanhassen in 2016 to meet the needs of this rapidly growing community. Choices Psychotherapy has been established in the St. Louis Park community since 1993 as a sole practice and 1999 as a group practice.

The ideal candidate:

- Will specialize in child, adolescent and/or adult psychiatry
- Will have a strong commitment to working in a private practice and collaborating with therapists
- Will be committed to providing consultation
- Will offer a flexible schedule
- Will be motivated to assist in the development of client base

In collaboration with our psychiatric team, the ideal candidate will have the opportunity to work independently and collaboratively. These positions are contract and allows for a flexible work schedule. The client base for this position is child, adolescent, and/or adults and Board Certification is preferred. A typical split is 75/25.

The qualified candidate will assess a clients vitals, complete a comprehensive evaluation, provide Psychotherapy if indicated, document care in EMR, prescribe medications in accordance with the Board of Medicine, provide follow-up visits to clients as needed.

What Choices offers:

- You will always know what has been billed, collected and remaining on claims associated with individual patients.
- A billing team dedicated to collecting your money. Rarely do we not collect what we have been contracted to receive
- A dedicated/comprehensive administrative team who schedule all initial appointments, verifies benefits, collect co-pays, reschedule patients, etc.
- Windowed offices
- Furnished office
- EHR
- Administrators who are dedicated to marketing your practice
- Administrators who take the guess work out of the ever changing rules related to billing, HIPAA, codes, etc.
- Aflac supplemental insurance (contractor paid)

Choices Psychotherapy is one of the only clinics in the Twin City Metro Area that has a psychiatric team offering psychotherapy in addition to medication management. All 6 of our Psychiatrists received training in psychotherapy during residency. We do not provide just medication management, we focus on developing a collaborative relationship that is client driven. All initial appointments are at a minimum an hour and most follow-ups range between 30-60 minutes.
