

GUNDERSEN HEALTH SYSTEM®

Gundersen Health System is currently seeking a Psychiatrist to join the Department of Behavioral Medicine in Decorah, Iowa. This will be an outpatient practice, with opportunity to develop in areas you are passionate about. You will also be asked to provide outreach and telemedicine.

Colleagues within Behavioral Medicine in Decorah include 2 Psychiatrists and a master's prepared therapist, and you will also benefit from collaboration and collegiality with the rest of the team in Family Medicine, General Surgery, Orthopedic Surgery, Podiatry, and Optometry. Telemedicine and outreach are provided by specialists from our main clinic in La Crosse, WI.

- Competitive Salary, Outstanding benefits and Loan Forgiveness
- An innovative academic environment in partnership with the University of Wisconsin Medical School means you can enjoy the best of practicing in an academic medical center --teaching and research--in addition to patient care
- Gundersen is enriching lives in communities close to home and around the world through our Global Partners program. We lead teams of volunteers providing care and making meaningful connections in Ethiopia and on the Pine Ridge Reservation in South Dakota

Gundersen is an award winning, physician-led, integrated healthcare system employing nearly 650 medical staff in NE Iowa, SE Minnesota, and Western Wisconsin. Our mission is to distinguish ourselves through excellence in patient care, education, research and improved health in the communities we serve. A rewarding practice and excellent quality of life awaits.

Decorah is home to Luther College, and located in the scenically beautiful Driftless Area of NE Iowa. Home to artists, outdoor enthusiasts, musicians, and those seeking an authentic life experience, Decorah is unparalleled! <http://www.visitdecorah.com/>
