- Average census is about 12-13 beds
- Call every 4th weekend; Additional call pay provided
- A fully integrated electronic medical record (Epic) is utilized
- Patient encounters average 12-14 patients per day
- J1/H1B VISA Accepted: H1B Yes

### **Income Details:**

- Market competitive compensation
- Sign-On Bonus
- Comprehensive benefits package: generous time off, annual CME allowance, malpractice insurance with tail coverage, retirement contributions, relocation & more.

### **Qualifications:**

- Graduate of an accredited ACGME/AOA Psychiatry residency training program.
- BC/BE with the ABMS
- Licensed or ability to obtain Minnesota Board of Medical Practice Licensure
- Ability to obtain and /or maintain DEA certification for the State of Minnesota.
- Meet threshold criteria/qualifications for Credentialing and Privileges.

### **[St. Joseph's Hospital](#)**

The Fairview & HealthEast system is one of the largest providers of behavioral health services in the Upper Midwest. We offer a wide range of adult and child/adolescent services that includes inpatient, behavioral emergency center, partial hospitalization, outpatient clinics, counseling centers, chemical dependency programs, and day treatment programs. In addition, our psychiatrists and PMHNPs have access to consultation or referral with

University of Minnesota Department of Psychiatry, University of Minnesota Physicians and Behavioral Healthcare Providers.

This location, St. Joseph's Hospital, part of Fairview Health Services, was founded by the Sisters of St. Joseph of Carondelet in 1853 and holds the distinction of being Minnesota's first hospital. St. Joseph's Hospital provides a comprehensive range of medical, surgical, rehabilitative, and diagnostic services in the heart of downtown St. Paul. The hospital has expanded its Mental Health & Addiction Services inpatient unit to help address the growing need for mental health care locally and throughout greater Minnesota.

The Twin Cities area is a vibrant metropolitan area with a population of 3.5 million, home to 20 Fortune 500 companies, strong educational system, major universities, professional sports teams, fine dining and numerous arts and cultural activities.
